

## SHIPPER'S CERTIFICATION FOR LIVE ANIMALS

(to be completed in duplicate)

This is to certify that (*Check appropriate box*):

- ☐ In addition to having completed all advance arrangements, this consignment is properly described and packed, and is in proper condition for carriage by air according to the current edition of the IATA Live Animals Regulations and *all applicable carrier and governmental regulations*. The animal(s) of this consignment is (are) in good health and condition.
- ☐ Animals taken from the wild for shipment have been appropriately acclimatized.
- ☐ This consignment includes species as described in the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). Applicable permits/certificates are attached to the air waybill.
- ☐ This consignment includes species as described in other applicable national legislation.
- ☐ In the case of reptiles and amphibians, the animals contained in this shipment are healthy and they have been examined prior to shipment and are free of any apparent injury and readily recognizable diseases. They are also free of external parasitic infestation, including mites, ticks and leeches, that can readily be seen under normal lighting conditions.
- ☐ No mammals are tendered for transportation having given birth in the last 48 hours before the start of the journey. When applicable, official veterinary certificate documents are attached to the air waybill for pregnant mammals.
- ☐ The animal(s) is not of the snub dogs and cats. The shipper accepts that the carrier does not accept any snub dogs and cats for carriage. (*For more embargo/limitation detail, please refer to STARLUX Airlines website*)

The shipper accepts that carriers will not be liable for any loss, damage or expense arising from death due to natural causes, or death or injury of any animal caused by the conduct or acts of the live animal itself or of other animals, such as biting, kicking, goring or smothering, not for that caused or contributed to by the conditions, nature or propensities of the animals. In no event will carrier be liable for death or injury to an animal attendant caused or contributed to by the condition, conduct or acts of animals. The consignee has been advised of the flight details in order to arrange immediate collection on arrival. The shipper is liable for all charges and expenses resulting from the consignee's refusal or failure to take delivery of this consignment, including the charges for returning the consignment to the airport of origin.
